INESSE HARDCORE?

Dear *Voluptuous*,

Thanks for a great Oct '04 issue that included Inesse of Latvia! I am posting my request with your office that she should be doing an XXX DVD boy-girl before Christmas, please!

And yes, I, too, am waiting for Diane Poppo to do a new professional XXX boy-girl movie. Hell, have her bring her own guy friend if that will get her to do it. That and a fine bottle of wine to loosen her up oughta do the trick! Like your Australian reader said, look at all the money Diane would make for your magazine. Pay her a little more to convince her.

Maybe she could do a talking type video also, like a bunch of the girls did not too long ago. Maybe it would get her so hot and horny she would not want to wait and do the XXX flick right then and there! So have your male stud waiting! Thanks for the opportunity to comment!—"Brian," e-mail address withheld

Dear Brian: Money is not an issue with Diane and, as it turns out, Inesse. We've asked, we've offered, we've pleaded, but so far it's a no-go. Perhaps by next X-mas.

A SOLDIER'S GRATITUDE

Dear *Voluptuous*,

I am a soldier in the U.S. Army and a long time reader of *Voluptuous*. I recently returned home from Iraq after spending a little over a year in that filthy dust bowl. While I was over there I had my brother send me my old and new copies of *Voluptuous* magazine. As I would flip through the pages, all I would think and say to myself is how beautiful the girls are that you feature in your magazine. And it made me realize that I wasn't over there just fighting for our country, but to protect the freedom that

NEW PHRASES NEEDED

Dear *Voluptuous*,

I've never written to an adult publication before, but I felt compelled to send some comments to what's a very well-done magazine.

First and foremost, I've always liked naturally busty ladies, although I can't totally define why. *Voluptuous* offers these ladies in an awesome manner. There's just something phony about women with surgically augmented breasts. Those types of breasts feel like basketballs. Nuff said.

All of your ladies, including the plumpers, are stunningly beautiful and sexy. While being sexy, these ladies also seem to be very wholesome, too. I think all guys have fantasized about having sex with a girl-next-door. This type of girl also gives off an image of being sexy without being a slut or bimbo. On a cold, winter's night, these sexy ladies look like they would provide some serious cuddling, too.

I also like that your ladies fall into a wide range of ages. I've seen ladies in *Voluptuous* who are almost young enough to be my daughter as well as those ladies who are a bit more mature (35 years old-plus), but just as hot. Your lovely ladies also seem to be the type of ladies who are personable and approachable—the type of people that you might run into at your local supermarket, mall or even church. I also have a clear impression that your photographers find that these ladies are very down-to-earth and easy to work with.

However, you guys have to come up with a better term for some of your ladies than "plumpers." Plumper gives off an impression of a person

who is grossly overweight and unattractive. Your bigger, curvier ladies like Devin Taylor, Samantha and Maria Moore, while having a few more pounds, carry them very well. Perhaps a contest or mail-in survey could give a name change for the term "plumper." I'd prefer "V-Plus," but that's just me.

Keep up the good work.—J.H., St. Claire Shores, Michigan

Dear J.H.: Thanks for reading and breaking your V-Mail cherry with some very astute observations. As for the "plumper" classification, that phrase has been around since before Voluptuous was first published. However, if you find it offensive, others probably do as well, and we would be happy to change it to one more universally appealing to readers. We just need to know what it is.

"BIG UPS" FROM A NEW VOLUPTUOUS "BROTHA"

Dear Voluptuous,

As a new subscriber, I wanna say "big ups" for giving the brothas naturally busty women.

Being that I am a hardcore kind of guy, ya'll gets much love for the Samantha spread in the Sept. '04 issue. You can tell her that if she likes a hard dick, she needs to come out to California and I'll show her how we do it on the West Coast. I'm a big man, so I needs me a girl like Samantha.

Also, I'd like to know what's up with Kat Vixen. Man, oh man, do I love a thick redhead. And it's also been a while since I've seen my dream-girl Chaz. There ain't a day that goes by that a brotha don't miss seein' her. While I'm writing, I'll just send a shout out to her 'cause I miss her. One of these days I'll hop a flight to merry ol' England so I can say, "what's up" in person.

By the way, if ya'll got any e-mail addresses for the models, I would be most appreciative. Let a brotha know if you need an extra hand down there. Peace! Keep up the good work fellas.—"Big Ed," Los Angeles, California

Dear Big Ed: You can check each model's "Bare Facts" that accompanies her respective pictorial for any available e-mail and/or fan club addresses. As for Kat Vixen, she has a website (KatVixen.com) where you can e-mail her.

UNNECESSARY CLOTHING

Dear *Voluptuous*,

As a lover of big tits and well-padded bodies from the age of 14 (I'm now 52), finding *Voluptuous* only six months ago was a revelation. With beautifully large breasts, well-shaped bodies, gorgeous asses and well-shaped legs, plus beautiful faces, the *Voluptuous*-girls are truly incredible.

My first edition (Jan. '04) showed the magnificent Diane Poppo and the gorgeous Roberta Canyon. Each issue since has been as good and just as hot. My only criticism is of the unnecessary pieces of clothing. If you could leave out the clothing, that would be great. And if you could show more of Diane, Maria Moore and Nadine Jansen, that would be even better.

Your magazine is great.—P.M., Hobart, Australia

VOLUPTUOUS WRESTLING

Dear *Voluptuous*,

I know this is going to sound weird, but I've always been a big fan of wrestling and Mazola Rollers, so I was thinking the other night, what about combining the two with my third love, *Voluptuous*? You could have two, three or four (or more) models all oiled up, in a ring, tag-teaming or doing a free-for-all.

Again, I know it's a weird, 70's-ish idea, and without John Candy and a tank full of mud, it may not work, but you never know. Think about it.—J.F., Lincoln, Nebraska

Busty Island GIRLS

**Exotic E-Cuppers,
On-Location In
The Caribbean**

**Newcomer
Elena**

Review By **CURLY REDWOOD**

Continue reading if you like your women slim, stacked and exotic. Yeah, we thought so. After all, how could anyone resist?

Busty Island Girls lives up to its title in so many ways. Five to be exact.

They would be Elena, Melanie, Mila, Thalia, and Lisa. All were discovered by a *Voluptuous* staffer who was tired of the same-old, same-old at his desk in Florida and went on a trim hunt South of the Border (professionally

speaking, of course). What he found is nothing short of amazing.

The girls are all fantasies come to life, guaranteed to put a tent in your pants and make you jack until you run out of tissues.

First-Look At Exotic Lisa

You get to follow our photo crew around the Dominican Republic as they discover one big-titted, caramel-skinned hottie after another. The girls are newcomers to the jizz biz, but they put on a show that will leave you throbbing for more. *Muy caliente!*

ELENA

Elena mentions that her hobbies are dancing, cooking and modeling. She also likes to watch TV and sleep. After some good hobbies, she kind of started to sound like my ex-wife. But when she walks out in a bursting pink tube-top and a tiny pair of denim shorts, Elena doesn't look like any wife you've ever seen.

Besides being smoking hot, Elena is absolutely adorable. As the amusing postcards that introduce each scene say, Elena's complexion and sloping, pointy tits brings to mind another sexy Caribbean big-titter by the name of Savida. To our trained eye, she also bears a slight facial resemblance to the oh-so-sexy Stacey Dash, the girl who played Alicia Silverstone's best friend in *Clueless*.

For some reason, Elena is genuinely embarrassed to be posing topless for the first time. Her sexy, striking looks tell you she's a modeling dream come true, but her innocent smile lets you know she really hasn't done this before. She randomly places a hand over one of her big breasts as a natural

impulse, rather than a staged move. Of course, your natural impulse will be to keep her hands out of the way. At 5-foot-5, 103 pounds, Elena has a perfect body. She has a flat stomach, a rounded ass, and those big, natural boobs.

Elena spends the rest of that part of the scene striking poses in the grass better than Madonna ever could.

When the camera comes back, Elena is now in a red outfit, and the top comes quickly down as she dances to a samba beat.

Then it's time for some sun. Elena lays out on a beach chair in a tank top and shorts, but those clothes come off in a flash. The top comes off moments later to reveal a sexy black and gray bikini.

For someone who was embarrassed before, Elena doesn't seem to have much of a problem sliding her hand down the front of her bikini bottom. Nor does she seem to mind peeling her breasts out of the top. Elena finds some lotion and proceeds to give her gazongas an awe-inspiring massage. She gives her nipples a taste-test, and they must have been good because she sucks on them over and over and over.

Elena then lays back and buries a finger inside her moist box. Her legs are spread wide and she fingers and massages her clit. It must have felt pretty good because soon she has two fingers in there. Elena continues to work herself over, and she switches hands to play with her right breast while she dives a delicate, horny finger into her creamy cooz with her left hand.

Elena picks up a vibrator by her chair and starts rubbing it against her wetness. She glides it into her juicy snatch, but Elena really gets off sliding the tool up and down her slit until it's all juicy, glistening under the Caribbean sun.

Finally, Elena gets to insertion. She slides the dildo in-

MELANIE

Do you like big nipples? Not just bigger than ordinary dugs. We're talking huge, meaty, long, wide nipples that you could take a bite out of and still have plenty left over for a bunch of your friends.

Well, meet Melanie.

Melanie has amazingly long nipples. She'd be able to lick and suck on them even if her bra size was 32B, rather than a 32F. Mere seconds after her scene begins, Melanie is stretching her nipples as far as they will go. Photos are being snapped as Melanie poses in different positions while showing off her cans. *Naturale*, she says in Spanish, shaking her breasts from side to side. Yes, they are all 100% all-natural tit-flesh with absolutely nothing artificial in those succulent beauties.

Just as quickly, Melanie is in the VIP models area, wrapped in a towel and eating a plate of fruit. She talks about how it is her first modeling assignment and how much she enjoys the sexy pictures that are being taken. Then she blurts out in Spanish "Life would be great if I could walk around naked all the time."

We couldn't agree more.

Melanie goes on about how she relaxed as the photo shoot went on and she got comfortable being naked in front of so many strangers. Then she goes on to detail her preferences in women (long hair and pale skin) before heading back outside for more photos under the balmy sun.

After a few more shots, it's back inside to a gorgeous king-size bed, where Melanie finds a dildo and goes through several more poses with the plastic chick-stick in different orifices, while in different positions.

Finally, all of the posing ends and we find Melanie sitting in a big wicker chair sliding her hand down her short shorts. She pulls her bodacious ta-tas out of her yellow halter top and starts squeezing and sucking on those incredible nipples. Pretty soon, the shorts come off, and Melanie lifts the halter top over her head, leaving her gloriously topless in just a pair of panties as she fingers away at her clit

MARKETA

Plumper, Bustier And...Hornier! One Of V-Mag's Best Just Got A Whole Lot Better!

First she was a *Hard SCORE*-girl, then a *Busty Euro Maid* and now a Cock-Craving Candy-Striper? Sorry boys, no new video...yet...of Marketa, but knowing this busty babe the way we do, we'll be seeing fresh fucking footage of this busty nurse...*stat!* Best of all, Marketa isn't going on any Slim-Fast diet to drop those extra curves she picked up for *Busty Euro Maids*. The girl digs her xxxtra *umph!* And you know what that means...Take your aspirin, boys, 'cause it's Hard Attack Time!

The real reason Marketa is batting lead-off this month is because your crusty, trusty, horny *V-Mag* editor just loves talking to her. Hey, everybody has his favorites, and Marketa is one of ours. It might have something to do with that awesome tit-fuck we saw on *Hard SCORE*. In fact, it has a lot to do with that scene. And that threesome on *Busty Euro Maids* with Iva, too. And her soft-spoken demeanor and sexy Eastern Euro accent, especially when she lustily coos, "I like to play with big, hard dick...Have phone fuck with me," into the phone during a long, working weekend. Man, you gotta love this job!

Now, about that new video. It's called *Marketa's Busty Adventures*, is loaded with hardcore starring...you guessed it, our favorite naughty nurse, and if past performance is any indication of future promise, we're all in for some great tit-fucking. Marketa's big, spongy, pliable tits help her surround the salami better than most, but it's her effort that earns her an A-plus in this all-important class. *Marketa's Busty Adventures* will be cumming soon to a *V-Mag* near you. Yeah, we're with you. We can hardly wait.

WHEN SHE CAUGHT HER FRIEND FUCKING HER MAN, THERE WAS ONLY ONE THING TO DO...GET EVEN!

Erotic Fiction By MICHAEL MEYER

The first time I saw Amy, I knew she was my kind of girl. Not only was she a cute, smart brunette with a playful sense of humor, but she also had just about the nicest, biggest rack I'd ever seen!

We met during college at a Halloween party in an apartment complex close to campus—Amy was studying to be a nurse, so she'd decided to wear a naughtier version of her uniform: a very short skirt and a tight, low-cut blouse with red crosses on it, plus an old-fashioned nurse's cap over her adorable blond pigtails. All the guys couldn't help eyeing her hot body—especially the huge soft line of her jiggling cleavage, which she obviously didn't mind showing off. I've always been a fan of large natural breasts, and Amy's were enough to leave a guy like me speechless. If she could have squeezed those melons into a quadruple-D cup, I'd be amazed!

I was just gathering my courage to try and talk to her, when my friend tapped me on the shoulder and told me not to bother.

"Don't waste your time!" he said with a laugh. "She's with somebody."

I turned to look at her again—just in time to see Jake, the local football hero, sweep in and take her in his arms. She giggled and threw her arms around his neck and kissed him, openly grinding her body against his. The only thing that affected me more than the sight of her wiggling ass and huge breasts was the sudden feeling of heartbreak.

"Damn," I said, shaking my head. "What a waste!"

I knew I should just give up, but I couldn't keep my eyes off her—much less my thoughts. Everyone knew that Jake was an asshole, and he probably had at least

four or five girlfriends other than Amy—and all of them with nice big racks. But none of them were as busty or adorable as Amy. It was clear he didn't even appreciate what a goddess he was dating; he probably just wanted her because he knew all the other guys did, too!

Then I got an idea. I remembered that just last week, I'd seen Jake with a very well-endowed redhead named Sally, who happened to also be in my physics class. She was snobby and rather air-headed, but she thought Jake was the greatest thing in the world. I'd met her in the library a couple times to work on group projects, and she gushed about him so much I might have gotten sick of it and left, had she not been wearing a very low-cut blouse that revealed her own prominent rack.

I still had her phone number, and I decided to give her a call. Only when she answered, I lowered my voice and pretended to be Jake. When I invited her to the party, she couldn't say yes fast enough! I just settled back, poured myself another drink and waited.

When Sally showed up, she was wearing a little schoolgirl's outfit,

resplendent with a short checkered skirt, knee-high stockings, and a blouse that barely covered her own impressive jugs. Her red hair was tied in cute pig-tails, too, just like Amy's. Sally looked around, a slutty gleam in her eyes. I knew she must be looking for Jake, who at that moment was in the kitchen making out with Amy. Before Sally could see them, I went up to her and said hello.

"Oh, hi, how you doin'?" she said with a bored look, still scanning the crowds for Jake.

"Are you looking for Jake?" I asked, feigning interest. "I think I saw him walk out back, by that little garden. He was looking for you."

Sally's eyes widened. "Really?"

I nodded.

Sally grinned. "Gotta go!"

I took a moment to appreciate her ass as she hurried out the door. The apartment complex had a little garden with some park benches not far away, and it was the perfect place to spring my trap. I went into the kitchen next. I waited until Amy shyly excused herself to go to the bathroom. As she passed me, she smiled warmly, and I suddenly hoped

that my little ruse wouldn't make her feel bad. I reminded myself what sort of guy Jake really was and how better off Amy would be with me.

I went up to Jake and told him that Sally had just arrived.

He swore. "I better not let Amy see me with her," he grumbled. "Those two girls are good friends, and it's already hard enough to keep them from finding out I'm boning both of them."

"Don't worry," I said. "Sally said she'd wait for you in the garden." I fixed as casual an expression onto my face as I could and said, "If you want, you can go meet her right now. I'll tell Amy you went to buy some beer, and you'll be right back."

He thought it over, then nodded. "Sure. May as well nail both girls in one night, right?" He slapped my shoulder as if we were best buds and hurried off towards the garden. I grinned. My plan was working perfectly.

When Amy came back, I told her that Jake had just stepped out. She looked disappointed, but then she struck up a conversation with me like we were best friends, laughing at my jokes and occasionally pausing to readjust her boobs, which threatened to burst out of her nurse's outfit every time she moved.

"I think I'm a little too top-heavy for this," she giggled.

I got a peek at the silky pink bra she was wearing that just barely covered her nipples, and I felt my cock stiffen in my jeans. "Not at all," I said. "I think you look gorgeous."

She blushed. "Really?"

I nodded and meant it.

"It's weird how little confidence I have sometimes," she admitted. "That's probably why I'm dating a jerk like Jake to begin with!"

"Maybe you need to find a nicer guy," I suggested.

She looked at me with a little smile. "You think so?"

I nodded again. "I do." I realized it was time to move into the next phase of my plan. I suggested we go for a walk to try and find Jake. Amy agreed, although I got the impression she might prefer to just stay and talk to me some more. We left the loud party and walked towards the garden. We heard a woman's laughter, and as we got closer, we saw Jake and Sally together. They were making out, and Sally was rubbing her busty body all over him. Then

FLORRI

The Latest Busty Romanian Import

We've had a good run of Romanian chicks lately. Last month, Nov. '04's Joana and Oct. '04's Crisa were up for the coveted 2004 Newcomer of the Year Award with their encore pictorials, and Tina looked mighty tit-fuckable in the Dec. '04 *V-Mag*. Now, because three's company, but four is an orgy, here comes...Florri, a Bucharest beauty whose name, we're told, is Romanian for, "I have a *Voluptuous* body!" A perfect translation from the looks of her.

One of the coolest, almost homogenous, characteristics about the Romanian super-titters we've shown from the Oct. '04 *V-Mag* to now is that these girls aren't dancers, escorts or models. They're math teachers, coffee shop managers, nurses and bank tellers—regular women with uncommon bodies. But each has a libido...and then some. From Crisa (Oct. '04) to Florri, and the pair in between, each of these women posed for no other reason than to add some spice to her life by getting guys to jerk off all over her pictures. And get off, *we* did. How 'bout ya'll?

Discovered by our associate editor while cruising an Internet chat-room for guys who love big-busted Romanian women (yes, he's extremely dedicated!), Florri jumped at the chance to be in *Voluptuous*. However, she's what you'd call a "home-girl" and has never left her birthplace of Bucharest. We were going to bring her to our London studio by train, but she couldn't take the time off of work. What to do? Having already been to Romania for an extended period to bring you guys Joana, Crisa and Tina, our lensman basically left Roadrunner skidmarks when we told him he was going back to Bucharest. The guy loves that city so much, and it's easy to see why! Will we be seeing more Romanian beauties like Florri? No report yet, but we'll let you know when we do. Keep your fingers crossed...and your cocks ready!

Here Cum Four Pages Of Paradise For The Ass Lover In All Of Us!

Do you remember when we used to have an ass special every year? Those were oldies, but goodies, and with the "Ass Shot of the Month," we've kinda gotten away from the good stuff. So, let's start 2005 off with a bang from the back-door. Pick a name, any name: brown-eyed winkie, rosebud, a-hole, bung-hole, heavenly hole, the only hole (that matters), Hershey Highway or rectum (that's the scientific one). They're all good, especially when babes like Casey Cleavage (left) and Kerry Marie (below) prove that their eyes may be the windows to their soul, but their brown-eyes are the highways to humping heaven.

Casey Cleavage

Kerry Marie

Ava

Just because a chick has an ass that is begging for a pounding, that doesn't mean she likes to take a foot of kiel-basa in her winkie. But, hey, it doesn't hurt to ask. Who knows, perhaps your gal will be like Devin Taylor (left) or Isabella (below), who look so natural in their "fuck my ass" positions! For good reasons, too! Trust us, boys, if you ask either of these babes about planting some seed in their rosebuds, you better not be joking! When these ladies spread 'em, they mean business! Nicole Peters (opposite page, bottom) and Desirae (right), aren't anal fiends, but they're still young. Give them some time, and who knows, they might sing a different tune. What are we humming as we stroke our cocks? Van Morrison, rump-rangers... 'cause we love our Brown-Eyed Girls! *Sha, la, la, la, la...*

DAYTON HINES

**Don't Let Her Adorable Face Fool Ya...
This Girl is As Horny As They Cum!**

She may be fresh meat, but Dayton Hines isn't gun-shy. Not only does she like getting nailed while she barks like a wolf at the full-moon, Dayton digs having her hair pulled and her ass smacked, and what an ass she has! Can you say "2005 Plumper of the Year?" You better get used to that phrase with Dayton, because this girl is a contender right now.

Quick note to all of you guys looking to get laid a lot. Join a volunteer fire department. Even if you just open the door for the firetrucks, you can always lie, because chicks love firemen. There's that girl in New York who's banging every hose-man she can find, and then there's Dayton, whose fantasy fuck is any fireman she can find on top of the truck, sirens blaring, wind in her hair, the truck doing 60, again, barking at that moon doggie-style with some ass slapping and hair pulling. Oh yeah, she wants all of the other firemen to watch. Hey, not only is she kinky, but Dayton likes to share and share alike.

You can already see she's sporting 48 inches up top, and for more details, turn this page for Dayton's "Bare Facts," including her favorite pick-up line. Want a hint? If you've got milk, and lots of it, you're halfway there. What's our favorite pick-up line? "Hey, Dayton, you gonna pose again?" "Sure! I'd love to!" Atta girl!

Favorite Pick-Up Line: "Girl, you look so good, I wanna pour milk all over you and make you a part of my complete breakfast!"

he ripped open the front of her school-girl costume, and she gasped.

"Mmmm...Come on, Jake, play with my tits," she groaned.

Jake was only too happy to oblige. He squeezed and licked her boobs, then shoved one hand under her skirt. Inside my jeans, my cock stiffened again at the sight of Sally's bare, writhing chest. As much as she annoyed me, I had to admit that her jugs were a sight to see. But even they weren't as big and full as Amy's, and I reminded myself who was the real object of my desire.

"That bitch!" Amy whispered. "And Jake—I can't believe he's doing this!"

"Do you want to confront him?" I offered. What better way for Amy to find out that Jake was cheating on her—and what better time, with a nice guy like me right there waiting?

Amy was quiet for a moment, then she giggled. "Not yet. Let's get closer."

We tiptoed over and crouched

behind the bushes, watching as Jake flipped Sally around and bent her over a wooden bench, yanking his jeans open. His dick sprang out, already hard. He stepped forward and plunged it into Sally's body; she tipped her head back and screamed in wild joy.

"Looks like she's having fun..." Amy said, biting her lip. There was a strange sort of excitement in her voice. A moment later, I was stunned to see her reaching under her skirt to play with herself! I shook my head. This was not what I'd expected...There was Jake, Amy's boyfriend, fucking someone else right in front of her...and she was turned on by it!

Then again, I thought, so was I. I turned my eyes back to Sally. As Jake drilled her from behind, her enormous breasts flopped and jiggled almost hypnotically, and it was clear she was about to come.

"Fuck my ass now!" she panted.

Jake just laughed and withdrew his cock from her pussy, spitting on his hand and rubbing himself to provide some extra lube before he shoved his bulging length into Sally's asshole

instead. Sally whimpered, using one hand to massage her own tits as she begged for more.

Beside me, I heard Amy gasp too. "What a dirty little slut," she whispered. Despite her disapproving statement, she sounded even more turned on than before. With one hand, she furiously rubbed herself under her short skirt. Then she slipped her other hand into her nurse's blouse, kneading one huge soft breast between her fingers. The sight of her playing with herself, her dark eyes full of lust, made me even hotter than watching Sally's swaying jugs!

"You need some help?" I offered.

She looked at me with a wet smile. "Mmm...why not?"

Barely able to contain myself, I practically ripped her nurse's outfit open and tugged her oversized bra off. Amy's jugs were even more beautiful than I'd expected, huge and round in the moonlight, ending in soft pink nipples and areolae the size of baseballs. I squeezed and kissed each one of them while she pulled me close and moaned in my ear.

"I want you to fuck me," she panted.

"I want you to fuck me just like Jake's fucking her! I want you to help me get back at him!"

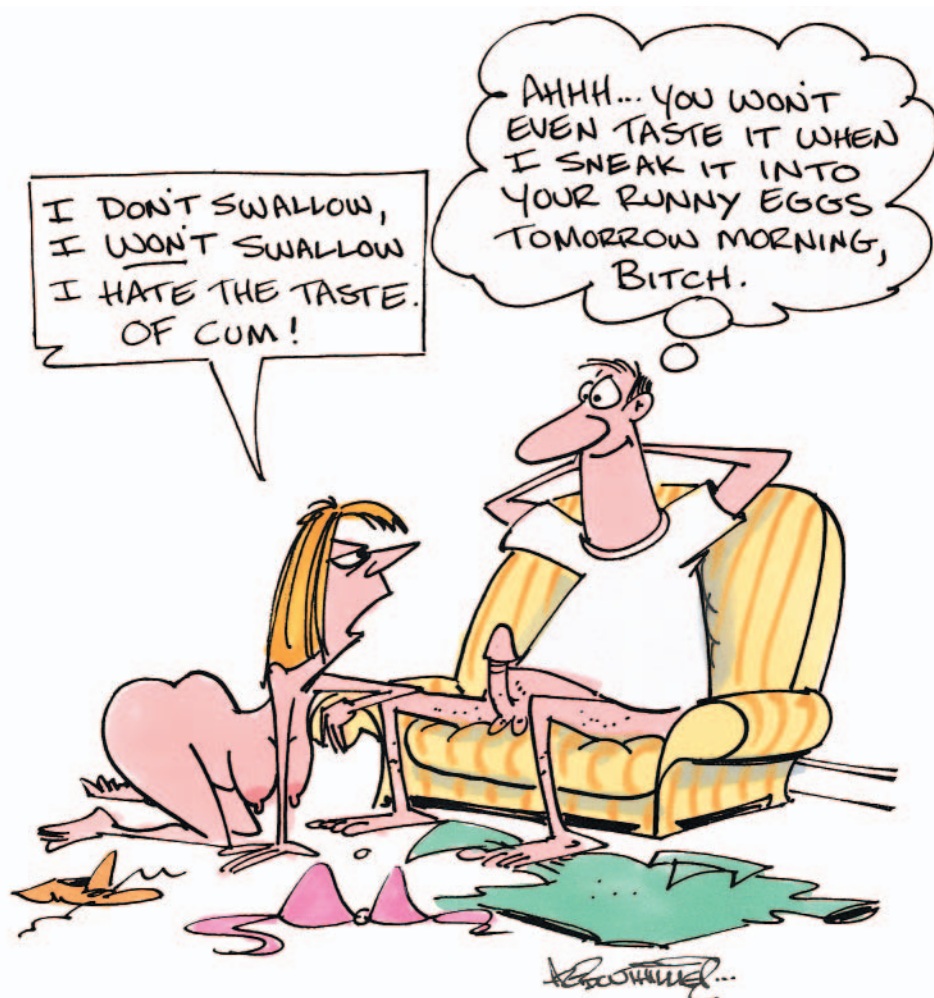

I glanced back at Sally. She was on her back now, holding her legs up while Jake alternately fucked her ass and her pussy at will, the force of his thrusts jiggling her tits against her face. Sally was moaning and writhing whorishly, making so much noise it would be impossible for them to hear us.

I turned my attention back to Amy and kissed her. She hesitated at first, then kissed me back as hard as she could, like she couldn't get enough. I thrust my hand under her skirt. To my surprise, she wasn't wearing panties. Her pussy was already soaking wet, and she gasped hotly—her lips still pressed against mine—as I wiggled two fingers inside her.

"That feels so good," she purred. "Make me your slut...I want to be a slut, too!"

I rolled my fingertips over her soporific-wet G-spot and wiggled them as fast as I could, adding a third finger to the mix. Amy stifled a scream as her whole body shook. She clasped me even closer, mashing her huge soft breasts against my chest. Seconds later,

LULU

**Here Comes The
Best Gift A V-Man
Could Ever Get!**

It's time for another reader's wife, only this one has a twist. It seems LuLu married her high school sweetheart and they've hit that seven-year-itch thing. He has lost interest, LuLu told us, and she found out why during a recent desk raid. Instead of hotel receipts, LuLu found a stack of *V-Mags*, many with sticky pages. Insulted at first that her hubby would dig fantasy girls over the real thing, LuLu did appreciate that a lot of V-girls look just like her, and she got a cool idea for her hubby's anniversary present. Here it is!

Officially, LuLu's seventh wedding anniversary is Dec. 12th, and her man's name is "William." He has absolutely no idea LuLu found his stash or that she went to a local photographer in Kent (England) to get photographed for *V-Mag*. But one thing he should know is that LuLu is a totally devoted wife and is posing to make her man happy. She loves the mags, and hopes that she and William can share them and use *V-Mag* to spice up their sex life. Damn, Willie...You're one lucky guy! Whaddya think of your girl now? We thought so.

and massages her beautiful breasts.

Melanie's getting down to business when she finds an enormous dildo. The thing is the size of Thor's thunderbolt. She strips off her panties, keeps a firm grip on the middle of the tool and works it in and around her glistening mound while still sitting in the chair. Melanie goes more than halfway after she gets on top of the dildo and lowers herself on top of it while fingering her clit.

When Melanie stands up and puts one foot on the chair, you sense that she is getting close to orgasm. Her moans get louder and she thrusts the dildo in deeper. Her longest pumps come when she is moaning the loudest and soon, she goes over the brink, causing her body to tense up repeatedly. When the trembling ceases, Melanie slowly pulls the dildo out of her soaking-wet pussy, and a contented smile crosses her face.

MILA

How many of you guys know that huge areolae are considered to be good luck in the Dominican Republic? No? Neither did we.

Meet Mila, a human, Dominican rabbit's foot. Make that a rabbit's breast. And the best damned lucky charm we could ever have.

Mila is 5-3, 118 and wears a 32EE bra. She says she likes listening to music, dancing, eating and traveling. She likes a man who is a good person and honest. Someone with enough cock to plow her enormous rack would be nice, too.

Mila is shown putting on an ornate blue bra, only to take it off moments later as she poses for photos in the bright Dominican sun. We then get a sample of different lingerie, which Mila poses both in and out of.

One particularly enticing outfit shows Mila wearing a net-like dress over a red bikini. As she's dancing to the sounds of the Dominican, Mila removes the bikini top from beneath the net, much like Jennifer Beals did

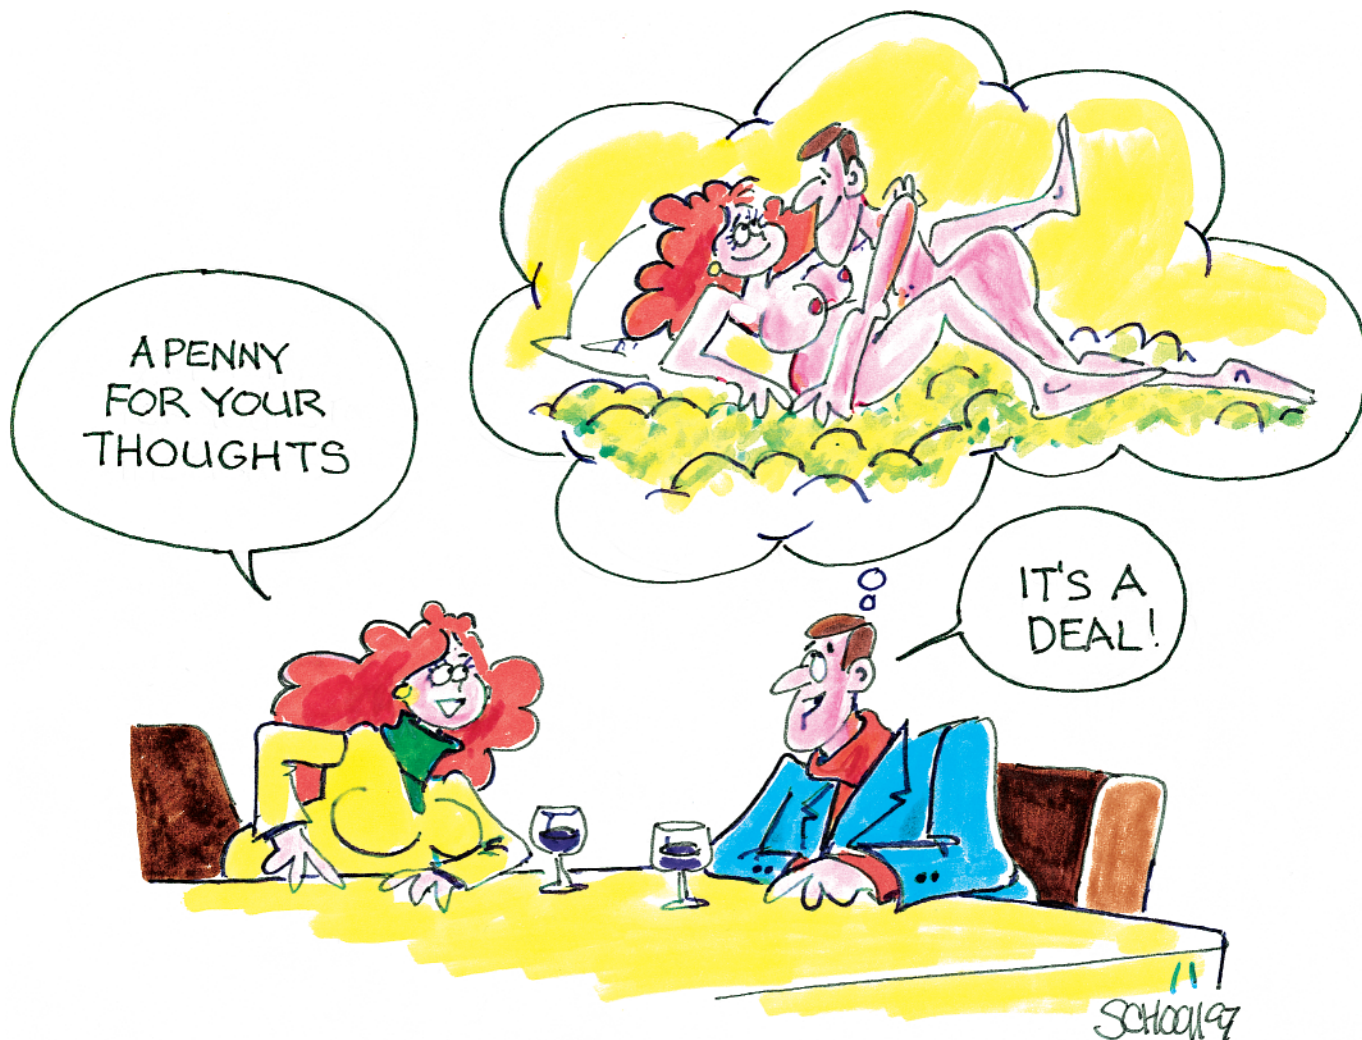

with her bra in that infamous scene from *Flashdance*. She was such a manic. This scene is better, though, because Mila actually has a set of tits on her. Plus, her dancing consists mainly of swaying to some island sounds, rather than an all-out attack on a soaking-wet chair in some run-down steel town strip joint.

The only thing in this scene that is going to get wet is Mila's pussy.

Next we see Mila laying out on a blanket in the grass, wearing short shorts and a white top. Mila's hand is down the shorts and it's plain to see she is having a good time. She pulls her cans out of the top and massages the bountiful boobs, reaching down to lick the nipples.

Mila sticks her long legs up in the air to remove her shorts, showing off black-and-white striped panties. Mila manages to stimulate both nipples with one hand while massaging her clit and frigging herself with the other. Dedication, dexterity and a great pair of tits. Talk about a great combination.

KERRY MARIE

The Hottest Cop We've Ever Jacked To!

A Bobby with boobies? *You betcha!* Kerry Marie is this busty babe's name for all of you guys who have been living in a cave for the past five years, she's *V-Mag's* 2003 Model of the Year, going for a repeat in 2004, and Kerry only has one order before she breaks out the cuffs... "Stick 'em up!"

This was originally an exclusive photo shoot for BustyKerryMarie.com, the website devoted solely to Special K. However, once we editor-types got a look at these photos, we pulled rank and grabbed 'em. Yes, Kerry has great tits—some of the best around—and a pagan-sex-goddess-to-die-for body. But, what stunned us the most about Kerry's police-chick pictorial was how damned beautiful she is. Sometimes you tend to overlook Kerry's stunning brown eyes, what with her FF-cup tits in your face during most of her pictorials and on video, but with her hair pulled back and that cap helping to frame her face, man oh man, the girl is a bonerfide looker. Toss in the sweetest personality we've ever known, and you basically have a *Voluptuous* poster-girl.

All gratuitous plugs aside, if you haven't checked out Special K's video and website (both titled BustyKerryMarie), dudes, there's jacking and then there's *jacking*—know what we mean? The truth is, both the video and the website are crankin', so consider this a public service message to remind those of you who have yet to see this beauty have orgasm after orgasm that there is a place where time does stand still and all is right with the world. On the web or on video, all you need to remember are three words...BustyKerryMarie.

VIDEO REVIEW

Continued from page 62

By no small miracle, Mila has a dildo wrapped in a towel next to her. It's a big one, almost as big as her boobs. Mila rubs the giant plastic cock all over her breasts and then leaves it right in between them. Finding that not quite satisfactory, Mila grabs some lube and carefully gets her toy ready. The lucky dildo finds a home between her jugs, sliding in and out of her cavernous cleavage.

Next, Mila lays back, spreads her legs and jams the dildo into her cunt. She pumps it in and out of her gash, moaning a little louder with each thrust. Just when you think she's going to go for an orgasm, she turns over onto her hands and knees and starts stroking herself again.

Here's where the scene gets really hot. There's nothing especially intense about how Mila rams the dildo into her pussy over and over. It's the way she moves back to meet the strokes, almost as if the piece of plastic has taken on life. Somehow, she gets into a rhythm with her toy, and you can't help but picture yourself behind her, pumping your cock in and out of her wetness as she moans for more.

When Mila's moaning finally ceases, she slowly withdraws the dildo from her snatch and it exits looking like a cock that has just shot a load. Mila, meanwhile, looks content.

THALIA

Before each scene, a letter from our SCORE Group guys in the Dominican is shown. They tell of their tales in the bush and how they are faring. Before they see Thalia, one writes of a crisis in their camp. The boys are running low on tissue and lube. Apparently, the fruits of the Dominican have made their bananas more ripe than usual. And that was before they saw Thalia.

Thalia has enormous boobs, but they're also firm and pretty much perfect in every way. She's impossibly proportioned at 5-foot-3, 100 pounds, with a 30GG bra, and long dark hair. Her smile may not be dazzling white, but it does bear some resemblance to Halle Berry's. Thalia's face looks like a darker, prettier version of Shoshanna Lonstein, Seinfeld's one-time huge-hooted teenage girlfriend.

Thalia shows us a few revealing poses, including one where she is bent over a bathtub that looks especially inviting. The next shot shows her in a striped tube top dress, absent-mindedly playing with her funbags and helping them spill out of the over-matched top. Thalia massages her cans and gives the nipples a squeeze as she rolls them in her fingers.

But then stuff gets freaky as Thalia pulls out a clothespin. No, she's not hanging laundry. She's trying to get more aroused. Thalia uses the clothespin on her nipples, pinching them to get her nipples to stand up even more. She also uses it to lightly pinch other areas of her bountiful bosom.

After losing the dress and her panties, Thalia sits with her leg up in a chair, slowly massaging her box. Again, the clothespins come out as she clamps one on each nipple and goes back to fingering herself. Thalia throws her head back in bliss as she slides a finger deep inside herself.

With tropical island music playing in the background, Thalia grabs a large pink vibrator and starts to rub it against her pussy. Upon doing so, the clothespin pops off her left nipple. She soon sends the other one to join it, knocking it flying with her right arm. The distraction does nothing to stop Thalia from inserting the dildo and ramming it and out of her pussy with short, quick strokes.

Thalia starts to feel the rhythm of the music and of the vibrator as she begins to moan. She's wearing a silver heel with clear straps, and has one leg propped up on the chair to give viewers a better look. That doesn't last all night though. Thalia props the vibrator up and slides up and down on it. For the most part, she rides in slow, deliberate strokes, moaning briefly with each one.

When the scene ends, you realize that Thalia likely just enjoyed one very long, very drawn out orgasm. This was what we had in mind when we sent our people southward.

LISA

Our men already had their hopes for humanity restored during the first four days of the trip. And that was before they got to see Lisa.

One thing we immediately liked about her was that she didn't seem to enjoy wearing any clothing. She

whips off a pink tank top just seconds into her scene and loses a white bra (size 30G) in almost equally fast time. This girl doesn't mess around, and we like that about her.

We also like her big, floppy tits. Lisa checks in at 5-foot-1, 105 pounds and presents herself as a temptingly sweet package. She leans back and massages her titties, wearing just a pair of white panties. After massaging and fondling and kneading her breasts for a while, Lisa finally goes for it and pulls her panties to the side so she can run a finger through her pussy lips.

She continues to give you a peek as she rubs her finger on her clit and lips, making things moist. Finally, she stands up and gets rid of the panties to reveal a completely shaved pussy. After massaging her boobs some more and rubbing her bald beaver with both hands, Lisa finds a massive dildo and starts to lick it.

Lisa tongues the massive tool and then wraps her boobage around it. She pumps it through her cleavage a few times before using the head to play with her nipples. She pokes them and rubs the head lightly on them, making her nipples just a bit perkier. When they're standing up just the way you like them, Lisa finally goes for what you've been waiting for.

She pushes the dildo against her lips and rubs it up and down a few times before pushing the head in. Lisa gives many sexy looks, seeming more than once to be on the verge of climax, only to pull back and go for more while working more of the dildo in.

Lisa puts her leg up on a windowsill to provide maximum access, both for us watching and for her to jam another inch of that man plastic inside of her. She only winds up working about half of the monster in. When the camera goes for a close-up, it seems pretty obvious that Lisa has already had at least one orgasm.

Contented, Lisa lays down on the floor in the corner of the room and blows us a kiss. She may not know much English, but her body language is spectacular.

As are all of the girls on this video. With beautiful scenery, good camera work and great girls, The SCORE Group should change its name to the D.R. Tourism Bureau, because nothing will make guys want to visit more than a look at *Busty Island Girls*.

SAPPHIRE

A Diamond When It Cums To “Hardness”

We're not gemologists here at *V-Mag*, but somebody has to talk to Sapphire about changing her name to Diamond because few get us harder than this girl. With her fifth *V-Mag* pictorial and those incredible hangers, plus a raunchy chick-stick video (*Stacked & Packed* #5), this busty babe is smack dab in her prime, and we're loving every picture of it.

You guys know how some busty babes' tits, even G-cups like Sapphire's, are bottom heavy, kinda like a pear? Not this gem. And the girl loves 'em, too. "They're great for tit-fucking!" Sapphire told us, as if we had any doubts. "The only problem is, all my boyfriend wants to do is play with them. I keep telling him I have a few special places he can enjoy, too, but I swear, he just loves my tits. I even told him, 'Take my ass!' But, he said, 'Nah, I'd rather tit-fuck you.' Have you ever heard of a guy giving up some booty for a tit-fuck?" Trust us, Sapphire, it's a V-man thing—happens all the time.

Video: *Stacked & Packed* #5 (X-Rated, order on page 98)

Ya gotta love a chick who can wear glasses and still look super sexy. Toss in a libido off the charts and an affinity for chick-sticks and...well, you have *Stacked & Packed* #5. Want a word to describe that video? Loaded! Want two? Over-loaded! True, it isn't brimming with busty babes in glasses, but with Sapphire, Kerry Marie, Cherry Brady, Brandy Talore, Maria Moore and Daphne Rosen, boys, we're talking some big-time tit-power. And you wanna talk about some awesome cunt-stuffing. There's more stuffing going on here than on the day before Thanksgiving. Now that's a lot of stuffing! Turn to the Video Club on page 98 and knock yourselves out, V-men.

BELLE

“Once You Go Black, You Never Go Back!”

Hey, we don't play that race card here at *V-Mag*, but when a beautiful, dusky, busty babe like Belle makes that kind of statement, we'll print it. Especially when Belle backs it up by telling us, "If I'm lyin', I'm dyin'!" Good news, boys. Not only did we save a lot of money off our car insurance this month, but Belle's still alive and kickin'. And showing off, for the second time in *Voluptuous* with the same in-your-face attitude we saw a year-and-a-half ago. Yes, it's good to see that the more things change, the more they remain the same.

We almost didn't get Belle back in *V-Mag*. She had a busy summer watching *Big Brother* and *The Amazing Race*, and Belle was so into those prime-time TV shows that we had to guarantee Belle that her posing wouldn't impose on her Reality TV schedule. "I love those two shows, especially *Big Brother* and that big brother, Marvin. Oooh, he's so fine. Marvin, baby, you look like a guy who reads *V-Mag*. You want somebody who's booby- and booty-licious, you just come to St Louis. I'll hook you up! Trust me, honey, I'm so good, I'd turn that gay guy Tim onto girls!" Looking at your tits, we bet you could, Belle.

she came with a wild shudder...then squealed and came again!

"Fuck me..." she begged. "Oh, please fuck me!"

She lay down on the wet grass, lifting her legs. Forgetting all about Jake and Sally, I shoved my jeans down. Amy smiled at the sight of my hard cock and tugged her skirt up, revealing her dripping-wet pussy. I rubbed the head of my cock all over her warm snatch, then slowly pushed it in. Amy covered her mouth with one hand, muffling a scream of pleasure as I gave her a few deep smooth strokes. I'm a big guy, but her tight pussy strained to accommodate me, getting wetter and wetter by the second. I sped up my thrusts a little, watching her humongous breasts ripple and shake. Closing her eyes, she lifted her legs and drew me even deeper into her soggy-wet snatch. At the same time, she started playing with her own boobs, squeezing and pinching them. I lay on top of her, still thrusting like crazy, and pressed my mouth against her soft pink nipples. Amy wrapped her hands around my neck and purred in my ear.

"Oh God, I'm gonna come again..."

I fucked her even harder than before, bouncing my thick rod in and out of her tight aching body. Amy squealed and came again, a delirious look of pleasure spreading across her face. "Don't stop...Don't stop..."

I was barely holding on, but I kept fucking her like she asked. Licking my thumb, I rubbed her swollen clitty. Amy's mouth flew open, and she came yet again, moments before I felt my own body explode inside her.

Breathless, I collapsed and lay down beside her on the ground. After a few moments, I glanced up. Through a gap in the bushes, I saw that Jake had finished with Sally and was walking away from her without a word, coolly leaving her nude and disheveled on the park bench. The smug bastard was so full of himself that he walked right past us, back towards the apartment building—and the loud party—without even seeing us!

Suddenly, remembering how turned on Amy had been by watching her cheating boyfriend nail her girlfriend, I had another idea.

"You want to get revenge on Sally, too?" I asked.

Still dizzy from her many orgasms, Amy blinked in surprise—then she grinned wickedly. "Absolutely!"

She hopped up, not even bothering to get dressed as she walked right over to confront Sally, who was still lying in her torn schoolgirl costume on the park bench, rubbing her own pussy.

"Hi, Sally!"

Sally opened her eyes. When she saw Amy standing in front of her, hands on hips, she gasped. "Oh, Amy...I..."

"Save it, Sally!" Amy said sternly. "I saw everything!"

Sally blushed. "Oh, I'm so sorry..."

She looked over at me then. My jeans were gone, and my cock was already hardening again as my eyes grazed from Amy's gorgeous naked body to Sally's. She'd never paid any attention to me before, but the sight of my cock brought a little eager smile to Sally's face. Then she remembered Amy.

"Listen, Amy, I'm so sorry... Jake and I were just having a little fun. I'll do anything to make it up to you!"

Amy crossed her arms, an evil twinkle in her eyes.

"Anything?"

Sally nodded breathlessly, her nipples hardening in the cool air. Amy stepped forward as though to sit on her lap, but instead she slowly dragged her huge breasts across Sally's face. "Mmm...we'll see. But for now, you'd better start licking my tits if you know what's good for you."

Sally gasped in surprise, then opened her mouth and kissed and licked Amy's jugs, purring like a horny lioness. The two busty girls wiggled their bodies even closer and writhed against each other, rubbing and squishing each other's boobs.

"You'd better make me feel good, you back-stabbing bitch," Amy groaned. "You owe me!"

Sally panted and nodded, working her tongue furiously over Amy's delicate pink nipples. I couldn't believe what was happening! This was even better than anything I'd expected. As I watched them, my cock swelled in my hands, bigger than it had ever been before. Right in front of me, Sally and Amy continued to rub their boobs together, then started making out!

Moments later, Amy ordered Sally to lie flat on the bench. Sally did as she was told, her entire body trembling.

Squeezing whole handfuls of Sally's boobs, Amy straddled her face and lowered her pussy onto Sally's mouth.

"Eat me out," she ordered, gently pinching Sally's nipples.

Without hesitation, Sally lapped and slurped on Amy's wet pussy, tasting not only her, but my own juices still dripping from her cunt. Sally squirmed and writhed in dirty pleasure, clearly enjoying Amy's punishment.

Amy flashed me a wicked grin and motioned me closer.

"You want to fuck her, too?"

My cock was flushed and throbbing in my hands. All I could do was nod. Sally spread her legs without hesitation, and I stuffed my cock all the way inside her.

Sally was every bit as tight and wet as Amy, and my rapid thrusts made her scream in joy. Only Amy's wet pussy—still writhing on top of Sally's mouth—muffled the sound. As I fucked Sally with reckless abandon, my eyes roved from her jiggling tits back to Amy, who was complimenting the pleasure of Sally's tongue on her pussy by squeezing and licking her own massive melons. Seconds later, Amy gave me a hungry look as Sally's probing tongue in the sweet wet folds of her pussy sent a hot orgasm sweeping through her body.

"I want to taste her, too," she groaned. She laid down, still wiggling her pussy on Sally's face, and the two girls 69ed while I continued to fuck Sally's wet cunt. Amy breathlessly licked that slutty redhead's clit, sucking on it like a ripe strawberry.

Then she flashed me a dirty look, and I knew exactly what she wanted.

Yanking my cock from Sally's pussy, I thrust it into Amy's mouth instead. She took my full length down her throat, sucking gleefully, tasting that redhead's juices while beneath her, Sally writhed in anticipation. Then I lowered my cock again...but to Sally's asshole this time.

Amy watched with an evil grin, lowering her own wet tongue to Sally's pussy—just as, inch by inch, I pushed my greasy dick into Sally's butt. Sally squealed and whimpered as I started fucking her ass with deep, long strokes—slow at first, then faster. Then faster. The harder my cock pounded Sally's ass, the harder she must have licked Amy's pussy...and the harder Amy licked Sally's pussy in return!

Soon, both those busty sluts were howling in pleasure and coming, and I knew I wasn't far behind.

Then Amy wiggled herself towards me, flopping her huge boobs against Sally's pussy and rubbing them against her. I could feel the warmth of her big, soft breasts on my cock as well, as it slid in and out of Sally's asshole, and I knew that was all I could take. I pulled my cock out just in time to squirt stream after stream of gooey, thick jizz all over Amy's huge tits. She cupped them together and lifted them towards me, gratefully and lustily catching every drop. Then she giggled and rubbed it into her mammary flesh with her hands, before turning around and ordering Sally to lick her tits off.

The dizzy redhead happily obliged, lapping at Amy's melons and whimpering in disappointment when they were taken away from her.

"You'll just have to lie here until someone else comes by to fuck you," Amy said with a giggle as she started to get dressed.

"But Amy..." Sally whined, "I'm really sorry about Jake—"

Amy laughed and waved her off. "Don't worry, girl. You can have him." She winked at me. "That guy is such a fucking prima donna. Plus, I've got a much better guy right here. Why would I want Jake?"

I quickly realized what she meant, and my mind began to fantasize about all the hot sex in store for us.

As though reading my thoughts, Amy tugged my arm.

"Come on," she said. "Let's go back to my apartment—it's going to take a lot of hard fucking before I really get my revenge on Jake!"

"Sure thing," I said, then stopped her, motioning back to the park bench where Sally was still lying all naked and blushing, insatiably pawing herself, oblivious to the fact that she was naked and more obsessed with how she could get another orgasm.

"Maybe we can, you know, invite Sally to join us," I suggested. "After all, Amy, can you think of a better way to get revenge on Jake than by taking away all his girlfriends?"

Amy paused for a moment, then she got a wild grin on her face and nodded. "Why not?" she said. "If Jake's really getting around that much, maybe there are a few more big-titted sluts we should visit tonight..."

MIRANDA

Look What We Got For The Holidays!

See what you get when you've been nice enough to bring *Voluptuous* gals to the masses and naughty enough to show some of them getting laid! No nookie for Miranda in her *V-Mag* debut, but she does have a nice Santa hat on and she will be dishing out some goodies to help you guys stuff your stockings with rock-hard man-meat, so Happy Holidays, one and all. And remember, V-men, tits the reason to be jolly!

Miranda says that when she walks down the street in Manhattan, men shout out to her. Delivery drivers beep their horns. Construction workers drop their hammers. Purse snatchers drop the purses. What would you expect? Miranda was born in northern Italy, near Lake Como. Having earned a bachelor's degree in chemical engineering, she moved to New York City four years ago to obtain a master's degree in biology. Now she wants to go for her doctorate and become a cancer researcher. Yes, this beauty has an IQ even bigger than her 36H-cup whoppers. What's the backstory about her? She was discovered by a member of the *V-Mag* Boob Brotherhood who thought she'd be perfect for *Voluptuous* and contacted us. He was righter than right! She's perfection personified.

"The men I like don't fall in love with me," Miranda sadly said in her thickly accented yet charming English, during a break from posing in the *Voluptuous* Studio in Miami. "The men I don't like always fall in love with me. When I meet a man, I know right away if I have a feeling for him; if he's the man for me. But when I meet a man who I think is right for me, he doesn't think I'm right for him!" Hang in there, Miranda. Thousands of readers are falling head over heels for you as they pour over this layout. Yes, Boob Brothers, there is a Santa Claus. And he's given you Miranda. È bella!

BOZENA

A Big-Boob Hardcore Star Is Born!

Get a load of Bozena doing a cock-slammer! We gave you guys a preview of her XXX video debut, *Voluptuous Xtra* #9 last month and here are all the photos we didn't show you! Lock-n-load, V-men, because here cums Bozena with a cock between her tits, tickling her tonsils and impaling her tight twat in an xxxplicit double-page center-spread on pages eight and nine. Trust us, if you dig big-tit XXX, you're gonna love this show!

We knew Bozena, one of 2004's hottest newcomers, was headed for bigger things when she debuted in the Sept. '04 *Voluptuous*, but we had no idea one of those bigger things was 10-12 inches of throbbing cock. Hey, it's hard to keep a good girl down, especially when she wants to go down on something hard, and that's exactly what Bozena did on her second trip to our London studio. Bozena was so horny, the only place she didn't take this flesh-n-blood dildo was in her ass, but that was because she fucked and sucked our porn pistolero so well, he blew his load. Yes, in her hardcore debut, when a lot of girls just lay there, Bozena was so hot, she made a porn pro cum early! Now that's what superstars are made of!

Normally, with a pagan sex goddess like Bozena cumming like crazy on video, you could show five A-cuppers in shitty hardcore and guys wouldn't give a damn. As long as they had Bozena, they'd be giddy. But, when you add 2004 Plumper of the Year Finalist Joy Juggs, 2004 Newcomer of the Year Finalists Aspen and Roxie, plus great first-timers Mandi Hart and Hayden, now you're talkin' about some major stroke action. Trust us, you might want to think about using a week's vacation time with nothing except your DVD player, television, beach towel and a lot of vitamins to keep that gun cocked and loaded. *Voluptuous Xtra* #9 is that good!

SHEREE SWEET

Another 1st-Time Hardcore Boning!

Sheree Sweet likes to play with cock. She likes white juice spurting all over her huge tits. Since she boasts a major pair of bazooms, she likes to get them fucked. We wanted to see Sheree get those massive melons schtupped, so we invited her to hook up with a stunt-dick in the *Voluptuous Studio*. Fortunately, Sheree agreed instead of slamming down the phone on us. The reality is a whole lot better than the fantasy.

You don't find boobs like Sheree's very often and she knows it. "I don't know why boob men like to titfuck, but as long as they get the chance to rub their cock between a girl's tits, I'm sure they're happy," offers Sheree. "If they're taking the time to pay attention to my pussy, too, then I'm willing to offer them up. Do I spit or swallow? Well, I'd rather have cum end up on my tits than in my hair or on my face. I'd rather not swallow it if I can help it. I think most boob men would rather cum on tits than on a girl's face anyway."
